

What we do

At Practical Therapy Network, our experienced clinicians work with youth and families in their homes and communities addressing a wide variety of developmental and behavioral challenges. Outpatient therapy is available to individuals at our two convenient locations in Sussex & Morris Counties!

Services

Intensive In-Community

IIC service is a clinical intervention that addresses emotional and behavioral challenges of youth with moderate to high needs. The service is delivered in a youth's home or in the community, based on therapeutic treatment goals.

Outpatient Therapy

Specializing in treatment of children, adolescents, teens, adults, families and couples. Licensed therapists with diverse specialties.

**Accepting NJ Family Care & Private Insurance*

Groups

Groups are available for children and adults in a small, supportive setting. Groups are offered to youth linked to CMO and privately through insurance.
