

Who are we?

JDK Social Station, LLC is a specialized multi-sensory teaching facility that enhances learning, social, and living skills of children with social deficits. Our inclusion program helps support all children learn and grow in a natural environment.

Early treatment is essential for growth and learning. Our program is individualized based on each child's needs to reach their maximum potential.

We offer a variety of social skills programs to target social skills for each and every child that attends.

Ages 3 & up

Our Programs- offered Sept-June

● Social Skills Classes

We offer an inclusive social skills program during the school year. Each week covers a different social skills topic, using our 7-step teaching model approach and developed curriculum

● Music and Movement Classes

Foster your child's fitness, self-confidence, direction-following and social skills each week! Each week includes an infusion of gross motor and music activities. This program is fostered around social skills development.

● ABA Therapy

Our Private ABA Therapy Sessions are Offered All Year for Ages 18 Months - 18 Years Old. Insurance required - email for more information

and much more
