

YOUTH SERVICES COUNSELING OPEN ENROLLMENT

Youth Services Counseling Program Description

Youth at risk of involvement or who are already involved in the Juvenile Justice System face issues with peers, difficulty in school and often community and family conflict. FACS provides Trauma-Informed Care to develop individualized goals, foster ones strengths, identify behavioral needs and understand the impact those needs have on one's daily function. In addition to obtaining a variety of coping skills to foster stability on a daily basis. Join us at Family and Children's Services where we are committed to healing trauma and strengthening families! Attached see the Referral Form which can be sent to FACSIntake@facsnj.org.
