The Family And Community Engagement Corp is a 501(c)(3) Tax Exempt youth organization seeking partnerships, sponsorships and other assistance from public and private donors. We help improve student achievement, community health, family involvement and socio-economic success. Through partnerships with businesses, government, school districts, fraternal organizations and others, we provide youth with guidance through meaningful activities. Tax-deductible donations greatly help our mission.

Our academic, fitness, recreation, music, mentoring, and other programs benefit youth in local communities, including specialized training for certain populations, according to need. We seek support to help provide reasonably priced and free classes for families. Our current programs include Martial Arts, Group Fitness, Guitar, Academic Support, and Mentoring with Track and Fishing clubs planned. We help keep families involved in positive activity...together. We take great pride in our record of success in supporting individuals with special needs, developmental disabilities, autism, etc., and we proudly serve very young children as well as the elderly.

Originally the “Police Activity League” of Plainfield, New Jersey and affiliated with National Police Athletic/Activity League for many years, FACE Corp operates The Goshu-Kwan Family Martial Arts studio in Scotch Plains, New Jersey. Our long-range goal is to grow into a more diverse entity with tutoring, computers, counseling, bowling, boating, more team sports, and other great programs, at various locations in many Plainfield area towns.

Please consider partnering and/or lending support to our worthy cause of youth and community development. We provide assembly programs and other presentations for schools and organizations, as well as after-school, Saturday and summer classes and we offer group discounts. We assist low-income families on an as-needed basis. All **Donations are tax deductible**. Please consider us a partner in community and educational work and support the “FACE Corp” mission if you can, and as soon and often as you can.

We thank you for your time and consideration and hope you will contact us soon.

Sincerely,

Myke O. Washington, Exec. Dir./Chief Martial Arts Instructor (C: 908-397-1785)
